MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 22 to Contract No. SC-58
with Lockheed Aircraft Corporation, Project IDEALIST
(Air Force)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 6.

2. Contract No. SC-58 covers Contractor-furnished aircraft technicians for the Air Force during the period 1 July 1957 through 30 June 1963. Amendment No. 22 to the contract has been drawn to provide additional funds for FY-63, and reflect fixed man-month rates for the period 1 January 1963 - 30 June 1963.

3. "Air Force" No Year Funds should be obligated as follows:

FY-63 Increase	\$15,000.00 / X761-0571-0008
----------------	------------------------------

By Concurrence to this memorandum the Chief, Budget and Finance Officer signifies that sufficient funds are available for this obligation.

4. The services and equipment being procured by this Amendment No. 22 to Contract No. SC-58 are in furtherance of the OXCART Program, the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-115 and Class Determination and Finding, OXC-2122, signed by the DDCI on 25 October 1961.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dtd. 7/7/58) for each contract.

6. Concurrence in Amendment No. 22 to Contract No. SC-58 is recommended.
